**Instructions for Students:**

1. Online ID Authentication: Students would be asked to prove identity before starting of the examination. Keep any one of the following photo identities:

   **Aadhaar Card | Driving License | Voter ID card | PAN Card | Passport**
2. Student must complete the examination within 2 hours after login the examination.
3. Student can login properly through your Enrollment Number and Date of Birth (DDMMYYYY) on Assessment Examination Window.
4. Please make sure that you are the only person present in the room when appearing in the exam.
5. You must ensure sufficient internet bandwidth is available before appearing in the examination , your laptop is fully charged. You must also check the exam environment where you are going to sit in terms of light, temperature, seat direction etc. Also, please arrange your sitting place such that you are facing a blank wall with the light on your face.
6. Please ensure that your face is clearly visible as the proctoring is done manually, remotely and by machine through Artificial intelligence (AI), where the proctor can check your visuals, your screen, your live feed, chat, etc. Proctors may pause and terminate the exam after warning if you are found not following the instructions.
7. You must have webcam facility with your computer as the proctors will monitor your activity continuously during the exam via the webcam. The webcam must not be disabled or covered failing which your exam may be suspended immediately.
8. The student needs to appear in the examination through the ULMS portal https://www.muonline.ac.in/ only. During the exam, the exam portal will lock the system screen and USB drive for any external referencing. Therefore, you are suggested to start your computer at least 30 minutes before starting the exam and ensure that the exam portal is working properly on the system. In case of any technical difficulty, send an email to exam@mangalayatan.edu.in with a screenshot for immediate assistance.
9. Students are restricted to Speak aloud the questions during the examination and would be marked as violation of instructions.
10. Be stable at your seat as you are not Permitted to move from the sitting space and from the webcam.
11. Mobile Phones, Tablets and other communication gadgets are Not Allowed to use during the examination
12. Don't use any testing aids during the examination. Aids include books, papers, electronic gadgets etc. This may cause you to be suspended
13. For any issue, student can contact exam@mangalayatan.edu.in or 78270 38309, 78270 38310
